

**DO NOT REMOVE THE BANDAGE BEFORE THE
RECOMMENDED 24 HOUR PERIOD**

THIS IS TO PROTECT YOUR NEW TATTOO FROM INFECTION!

After 24 hours you may remove the bandage - the video on the submission page of your tattoo consent will guide you on how to do this safely.

1. Before washing your new tattoo please wash your hands!
2. Wash your tattoo under running water with a mild soap (babysoap)
3. Wash it gently and do not scrub the area!
4. Once you've washed it let it air dry for 10 minutes
5. Apply no more than a finger full of your preferred aftercare cream.
- 6. DO NOT USE BEPANTHEM IT IS NOT FOR TATTOOS!**
7. Rub your cream until your skin soaks it up
8. Do not let your tattoo dry out
9. When applying more aftercare please repeat all the steps above!
